

# Construction Services

**You've built your business.  
We've built a solid practice to empower growth.**

Since 1953, local leaders have counted on GBQ to navigate the complexities of the construction industry while crafting bold tax, accounting and consulting solutions that empower growth. A Top 100 firm, our industry expertise and innovative solutions lay the foundation for contractors, architects, developers and builders to operate cohesively to uncover opportunities that leave lasting legacies. Who is empowering your growth?

At GBQ, we're more than the sum of our services; we're driven by the outcomes we know can benefit the lives of those we work with and for. Visit us online to meet our team and subscribe to the latest industry news and exclusive events that will—you guessed it—empower growth.
