

West Coast Group Benefits is a trusted partner for contractors, delivering customized employee benefits programs with a focus on compliance, cost efficiency, and employee satisfaction. We specialize in solutions designed to meet the unique needs of prevailing wage contractors.

### **Who We Serve**

We proudly serve contractors and construction companies across the nation. Our expertise lies in working with prevailing wage employers, ensuring compliance with state and federal requirements while maximizing the value of every fringe dollar.

### **Our Solutions**

Through our access to competitive construction trust products, we provide contractors with insurance programs that are more cost-effective and comprehensive than direct market options. Our offerings include:

- Medical, dental, vision and Life insurance tailored for contractors
- Exclusive construction trust products designed for the industry
- Prevailing wage compliance strategies that maximize fringe benefit dollars
- Employee education and enrollment support
- Dedicated broker support for employers and employees alike

### **Why West Coast Group Benefits**

Our team brings decades of combined experience in employee benefits and construction industry expertise. By choosing West Coast Group Benefits, you gain a partner who understands the demands of your business and delivers benefit solutions that attract and retain talent while controlling costs.

Learn more about how we can support your company by contacting us today. We look forward to being your partner in employee benefits.
