

Your Strategic Partner in Construction Lien Rights Management

For over a decade, National Lien Services has protected billions of dollars in construction payments by delivering accurate, compliant, and timely lien-related services nationwide.

We provide:

- Preliminary Notices to Owner (Preliens) – fully researched, prepared, and mailed within statutory deadlines
- Mechanic's Liens, Bond Claims, Stop Notices, and more – when it's time to enforce your rights
- Waiver Management done right – accurate, organized, and audit-ready
- Premier training & education – webinars, in-house sessions, and best-practice compliance resources
- Best-in-class software – easy-to-use web interface with built-in workflow support
- Legal coordination support – when issues arise, we're ready to stand with your team

Why contractors and suppliers choose National Lien Services:

- We act as an extension of your team, not just a transactional vendor
- Relationships, trust, and craftsmanship guide everything we do
- Fast turnaround, exceptional accuracy, and peace of mind on every project
- Proven expertise that keeps your cash flow protected
