Description of Background Screenings

- **SSN Validation/Trace** - Confirms the SSN is valid, identifies the state and year of issuance. The search also covers the national death index
- **Sex Offender Search** - Searches sex offender registries in all 50 states and the District of Columbia
- **Global Watchlist** - Searches U.S. and international government watch lists
- **National Criminal Database Search** - Multi-jurisdictional search including national security sources, numerous federal databases, and data from local agencies
- **Unlimited County Criminal Search** - Searches all counties returned for the candidate for the last 7 years

À La Carte Screenings

- **Statewide Criminal Search \$20.00** - Statewide search based on most recent address
- **Unlimited Statewide Criminal Search \$25.00** - Statewide search based on 7-year address history
- **10-panel Drug Screening \$60.00** - All tests reviewed by MRO
- **Motor Vehicle Record \$9.50** - Report on the state status of driving privileges, current and past restrictions, expiration, license type and class, endorsements, and accidents
- **Employment Verification (current employer \$12.50 / previous employer \$35.00)** - Uses industry databases, email verification, and phone verification to confirm employment information
- **Education Verification \$12.50** - Search can include available industry databases, school registrar, phone verification, and consumer provided documents
